BASIC COMMANDS

COME

Dog will come reliably from 50+ yards in DFW heat. At Off Leash K9, Master Trainer Justin Rie ensures your dog responds instantly across all DFW neighborhoods—from Highland Park to Frisco to Fort Worth West. Critical in Texas summer conditions.

SIT (EXTENDED SIT)

Dog sits on-command and holds until released. Our climate-controlled facility ensures training comfort while building extended sits that last in any Dallas or Fort Worth environment.

DOWN (EXTENDED DOWN)

Dog lies down and stays. Extended down teaches calm behavior essential for elite DFW homes and families managing intense Texas heat.

PLACE

Dog sits on a specific location you point to. Perfect for Dallas high-rises, Fort Worth estates, and Frisco mansions where impulse control matters.

LOOSE LEASH WALKING

Dog walks beside you without pulling. Essential for North Dallas trails and Plano parks. Master Trainer Justin Rie specializes in leash manners for elite clientele.

OFF

Dog won't jump on you or guests. Critical for Highland Park and Preston Hollow homes where social polish is paramount.

ADVANCED COMMANDS

EXTENDED DISTANCE OBEDIENCE

Dog obeys commands from 50+ yards in any DFW neighborhood. Our private acreage allows safe training for Dallas, Fort Worth, Frisco, and Arlington areas.

HEEL

Dog sits behind your left leg. Master Trainer Justin Rie teaches perfect heeling for DFW elite—from downtown Dallas to Southlake estates.

WATCH

Dog maintains eye contact and focus until released. Essential for advanced obedience across all 20+ DFW neighborhoods we serve.

THROUGH

Dog goes between your legs and sits. Fun advanced command showing the bond between you and your dog.

STAND

Dog rises and stands. Useful for vet exams, grooming, or presentation in DFW veterinary clinics.

FRONT

Dog comes and sits directly in front of you. Essential for off-leash control and safe recall in Frisco, Plano, and Arlington.

FOCUSED HEEL

Dog stares at you while heeling, maintaining intense focus. Signature of Master Trainer Justin Rie's elite training.

TOUCH

Dog places paws on what you point to. Useful for opening doors, pushing buttons, or fun interactive games for DFW homes.

CASTING/SEND AWAY/LOAD-UP

Dog is sent to a desired location. Perfect for loading dogs in cars on hot Texas days or entering specific areas.

LEAVE IT

Dog won't touch or eat something. Critical safety command for DFW families with active lifestyles.

GREETING MANNERS

Dog greets strangers politely without jumping. Essential for Dallas, Fort Worth, and Highland Park social events.

MEAL MANNERS

Dog waits politely for meals until released. Teaches patience and prevents resource guarding in elite DFW households.

DOOR MANNERS

Dog waits at doors and gates until released. Prevents bolting in DFW neighborhoods with heavy traffic.

GENERAL TERMS

BREAK

A cue that allows the dog to release from a command. Lets your dog know when they're free to move and play after training.

AGGRESSION

When a dog displays threat of harm through snarling, growling, snapping, biting, barking, or lunging. Can stem from territory guarding, fear, or frustration. Master Trainer Justin Rie provides management and control for DFW elite families.

REACTIVITY

When a dog overreacts to situations due to fear or genetics. Common in DFW due to busy neighborhoods and traffic. Our climate-controlled facility allows safe training away from triggers.

DISTRACTIONS

Sounds, smells, other dogs, or stimuli that distract from focus. Off Leash K9 DFW specializes in distraction-proofing for elite training in busy Dallas-Fort Worth environments.

MARKER

A stimulus that pinpoints correct behavior to earn reward. Can be a clicker or verbal cue. Used by Master Trainer Justin Rie throughout all training.

E-COLLAR

Electronic collar used in balanced training. When properly fitted and used by Master Trainer Justin Rie, provides consistent communication and off-leash reliability without pain or fear.

READY TO TRAIN?

Master Trainer Justin Rie teaches all 25+ commands in 2-4 weeks.

Our air-conditioned facility and private acreage protect your dog from Texas heat while ensuring world-class training.
